Grads Guide to Graduate Admissions Essays provides more than 50 successful admission essays straight from the source--recent college graduates making the transition to earning advanced degrees at highly selective graduate programs. Harvard, Columbia, Stanford, and Northwestern are just a few of the universities to which these students were admitted. Each of the essays contains designated segments highlighting the particular characteristics that make them outstanding admissions essays. Additionally, the essays are interspersed with segments labeled "Writers Words of Wisdom," which contain statements from the author of the particular essay with advice on the admissions process.
