BOOK SYNOPSIS

A wolf divided by two worlds... torn between desire and destiny... Small town sheriff, Allan VonBrandt, would like nothing more than to focus only on his work and not on the leggy and irresistible brunette who wont take no for an answer. But when fate steps in and his inner wolf wont refuse the magick pull she has on him, Allan must confront his animalistic desires--whether he wants to or not. Reyna DuBois has never met a man--or wolf--she cant tame, but Allan just might be the stubborn exception to the rule. Refusing to give up, Reyna enlists the help of her inner wolf to seduce the ever-reluctant sheriff, promising this particular cowboy the ride of his life. NOTE TO READERS: While each book in the Moonbound series is a complete romance arc, there is a full series arc that is revealed in pieces and not fully resolved until the end of the series.
